SUPPLEMENTARY INFORMATION:

Comment

Written comments and suggestions from the public and affected agencies concerning the proposed collection of information should address one or more of the following four points:

- (1) Evaluate whether the proposed collection of information is necessary for the proper performance of the functions of the agency, including whether the information will have practical utility;
- (2) Evaluate the accuracy of the agency's estimate of the burden of the proposed collection of information, including the validity of the methodology and assumptions used;
- (3) Enhance the quality, utility, and clarity of the information to be collected; and
- (4) Minimize the burden of the collection of information on those who are to respond, including through the use of appropriate automated, electronic, mechanical, or other technological collection techniques or other forms of information technology, e.g., permitting electronic submission of responses.

Overview of This Information Collection

- (1) *Type of Information Collection:* Revision of a Currently Approved Collection.
- (2) Title of the Form/Collection: Immigration Bond.
- (3) Agency form number, if any, and the applicable component of the Department of Homeland Security sponsoring the collection: I-352; U.S. Immigration and Customs Enforcement.
- (4) Affected public who will be asked or required to respond, as well as a brief abstract: Primary: Individual or Households; Business or other for-profit. The data collected on this collection instrument is used by ICE to ensure that the person or company posting the bond is aware of the duties and responsibilities associated with the bond. The collection instrument serves the purpose of instruction in the completion of the form, together with an explanation of the terms and conditions of the bond. Sureties have the capability of accessing, completing, and submitting delivery, voluntary departure, and order of supervision bonds electronically through ICE's eBonds system which encompasses the I-352, while individuals are still required to complete the bond form manually and sureties will be required to submit maintenance of status and departure bonds

manually.

(5) *An estimate of the total number of respondents and the amount of time estimated for an average respondent to respond:* 61,000 responses at 30 minutes (.50 hours) per response

(6) *An estimate of the total public burden (in hours) associated with the collection:* The total estimated annual hour burden is 30,500 hours.

Dated: June 21, 2022.

Scott Elmore,

PRA Clearance Officer

U.S. Immigrations and Customs Enforcement,

Department of Homeland Security.
